

Coronavirus COVID-19 Readiness

Like you, we're monitoring the latest news about the coronavirus. That's why we're doing all we can to make sure our branches are open; our bankers are there and our call centers are staffed. You can count on us at times like this, especially if you need our help.

We also want you to have confidence that you can bank virtually anywhere, anytime with the First Bank Texas mobile application and www.go2fbt.com.

If you haven't already:

Download the First Bank Texas mobile application

Register for online banking

You'll be able to:

Update your personal details

Make sure we can stay in touch with you.

Access your accounts

See transactions, balances and important details like account and routing numbers.

Deposit checks

- Snap a picture of your check to deposit it using mobile check deposit.
- Set up direct deposit to have your paychecks automatically deposited into your account.

Make payments

- Pay your First Bank Texas loans and other bills and set up recurring payments.
- Send and receive money from virtually anyone you know and trust with P2P

Transfer funds

Move money between accounts.

We're here to help:

Our branch teams are available and ready to help you. We've ensured that our branches, including ATM screens and keypads, are cleaned daily with EPA-approved disinfectants and we have hand sanitizer available in our branches.

If you've been affected by COVID-19 and need help with your account, please call us at the number on the back of your debit card, toll free 888-695-0511 or on your monthly statement.

If we reach out to you, we won't ask for confidential information such as your name, password, personal identification number (PIN) or other account information. See the Federal Trade Commission's advice for consumers to [protect yourself from scams](#).

For the latest information about coronavirus, visit the [CDC's resource center](#).

As always, our customers, our communities and our employees are our priority.
